Prunabon, was established in Cyprus in 1980, it is considered among the leading furniture manufacturers in the categories of Bamboo/Rattan, Synthetic and Teak-wood. The company operates in Cyprus Limassol (where the Head Offices are located) and one showroom, established in Nicosia. Also, Prunabon Trading LLC is our Regional Office situated in Dubai and is responsible to cover the market of United Arab Emirates; while Prunabon's factory (production facilities) is located in Cirebon of Indonesia.

Furthermore, Prunabon is specialised in the construction of African umbrellas and garden kiosks; recently, the company has extended its activities by providing services that have to do with gardens and landscapes. Our extensive knowledge in the field of furniture gives us the ability to manufacture high quality products including those with special specifications according to customer's needs. In addition to that, the company safeguards/provides technical support to customers after the sale of its products or services.
